A special thank you goes out to Mila Crnac and Ljubica Brkljacic who worked in the kitchen from morning till the very end at 4am!!!! Your work, along with everyone else who helped on the night is greatly appreciated, as every little part we do helps out YOUR children!

NOSNJE

Parents and members-

Please remember that our nosnje are authentic and need to be looked after!!!

All nosnje are required to be returned after a performance the way it was given, either folded or on a hanger properly.

As this procedure was not followed through at the anniversary function many members were left cleaning and folding after others till the early hours.
