A NOTE FROM NATALIE TOMIN

I would personally like to let everyone know that there are a few changes in regards to teaching Maleni/Pripremnici. To let everyone know I am currently on maternity leave. I will still be active with Hrvatska Zora, and still maintain my position of Secretary until the new committee is voted in 2010.

As for maleni & pripremnici I will be around to help but no longer an active teacher. The new teacher has been named to take over this position. She has many extensive years of folklor which include both teaching and dancing. She is also an active member with Kvalitetni and has her daughter dancing in maleni this is **ADRIANA DORINKO!!!** My warm wishes and many thank-you's to Adriana who has offered to take over this roll. I know she will exceed and take this to new levels, and there is no doubt about her ability with children!!! ALL THE VERY BEST AND GOOD LUCK!!!
